Technical Skills

Languages and DataBases: Python, Java , C++
Web Development : HTML , CSS , JAVASCRIPT, REACTJS
Other Skills: Data Structures , Git , Unity3D, GenAI

Experience

CodVeda Technologies | *Web Development Intern*

Mar 2025 – May 2025

- Developed and optimized responsive web applications using **HTML, CSS, JavaScript, and Git**, enhancing UI/UX and performance.
- Contributed to client projects at **CodVeda**, delivering scalable tech solutions and improving digital presence for small and mid-sized businesses.

CodSoft Technologies | *Python Programming Intern*

Oct 2024 – Nov 2024

- Built scalable Python applications and automation tools**, focusing on efficient code optimization and clean architecture.
- Gained hands-on experience in **debugging, unit testing**, and collaborating on real-world development projects.
- Utilized popular Python libraries like **NumPy** and **Pandas** for data manipulation and analysis.

Projects

IntelliChem

- Developed an interactive 3D chemistry quiz game in Unity using C#, particle systems, and animation tools, simulating real-world reactions with effects like color change, gas release, and bubbling.
- Delivered an educational gamified product aligned with the Indian government's digital learning vision, using immersive UI and real-time feedback to make complex chemistry concepts engaging and accessible for students.

DarkBound : Nowhere to Run

- Developed a fully playable **horror survival escape game** in **Unity** using **C#, Blender, NavMesh AI, Cinemachine, lighting effects**, and a custom **audio manager**, featuring dynamic AI enemies, realistic soundscapes, and immersive jungle environments.
- Delivered a narrative-driven product exploring **mental resilience and decision-making under stress**, aligning with a vision to showcase the **psychological impact of gaming** and the potential of **interactive storytelling** in real-world scenarios.

Position of Responsibility

E-CELL , VIT BHOPAL UNIVERSITY | Social Media Coordinator

Feb 2024 – Dec 2024

- Strategized and managed social media campaigns**, resulting in a **35% increase in follower engagement** over a 3-month period.
- Collaborated cross-functionally** with event, design, and content teams to promote key initiatives, workshops, and campus events, enhancing online visibility and outreach.

Education

VIT BHOPAL UNIVERSITY | *Bachelor of Science in Computer Science and Engineering*

Sep 2023 – Present

CGPA – 8.22

Awards and Certification

NPTEL | **Indraprastha Institute of Information Technology ,Delhi**

May 2025

- Completed a **12-week certification in Human-Computer Interaction** with a **94% score**, earning the **Elite+Gold Medal** for top national performance.
- Gained hands-on experience with **prototyping tools, usability evaluation, interaction design**, and **cognitive models**, strengthening skills in **user-centered interface development**.
